Our guest speakers will be a principal and vice principal from a local primary school, a prep teacher from a different local primary school and an occupational therapist.

Our teachers, Heather and Kirsty, will also be sharing their knowledge of how you are able to assist your child's learning journey from the commencement in a kindergarten program to entry into prep.

This discussion is for anyone you know that may have a child thinking about going into a 3 year old program in coming years, or a child currently enrolled in a 3 or 4 year old program in any service.

You are invited to bring a friend/friends with you to join in the discussion. This is an open invitation and not just for the Ascot Kindergarten community. Please feel free to share the date and information with friends and your local playgroup.

Ascot Kindergarten is committed to the safety, participation and empowerment of all children
